HANDLE OPTIONS

STAINLESS STEEL WORKBENCH

We offer beautiful, yet durable countertops including genuine butcher block and stainless steel for functional garage workbenches.
// OVERHEAD RACKS

Gorgeous Garage re-engineered overhead storage racks to make them stronger and more stable. These Overhead Racks are available in Granite Gray, Desert Stone, and white.

// FLOOR COATINGS

Our floor coatings are UV stable, durable, and beautiful. We prep the concrete by diamond grinding the surface for superior adhesion. This prevents peeling and increases durability.
// FLOOR TILES

Coming in numerous colors and styles, our garage floor tiles can instantly turn an ordinary garage into a true living space. These interlocking floor tiles are UV stable and are built to last for years.

// MONKEY BARS SHELVING SYSTEM

Monkey Bars
GARAGE STORAGE SYSTEMS

This is a completely customizable shelving system that separates long and short-term storage. Monkey Bars® are available in two colors, Desert Stone and Granite Gray, to match the aesthetic of any garage.

Our shelving system is designed to get your belongings off the floor and organized so they are easily accessible. This frees up floor space while protecting your belongings, including vehicles, from damage.

ONE SYSTEM FOR EVERYTHING

LAYER STORAGE TO STORE MORE

MAKE ROOM TO PARK YOUR CARS

BUCKET HOLDER

WIRE BASKET

HOSE/CORD REEL

SPORTS BAG

With shelving for long-term storage above and bars for items used more often below, every four feet of shelving can hold up to 1000 pounds.
The Monkey Bars® storage system is the strongest and most efficient available. It is available in mutiple depths to suit your storage needs.

Our shelving system features fully adjustable bars and a variety of hooks and accessories to store virtually anything.
